

Why settle for a 5-seater hybrid? JETOUR is set to launch a 7-seater plug-in hybrid for the price of a 5-seater!

Yes, you read that right; your eyes aren't fooling you. JETOUR Auto Philippines Inc. is set to introduce the JETOUR X70 Lightning i-DM 7-seater high-performance plug-in hybrid SUV. And once you get to know all that it has to offer, you'll forget all about that cramped 5-seater.

The new JETOUR X70 Lightning i-DM offers the "triple dealmakers" of space, power, and efficiency that won't be found in any 5-seater SUV, hybrid or otherwise.

Dealmaker 1: The new JETOUR X70 Lightning i-DM offers generous interior space befitting a large 7-seater SUV. This

7-seater is so spacious, when you fold the third-row seats down, you'll instantly get the space equivalent to a double-sized bed!

Dealmaker 2: As spacious as it is, the new JETOUR X70 Lightning i-DM isn't a slowpoke. This high-performance hybrid SUV can accelerate at an exhilarating 7.7 seconds from 0 to 100 kph. So, you may all be chill behind the wheel, but you won't get left behind in stop-and-go city traffic.

Dealmaker 3: Because it's a plug-in hybrid (PHEV), the new JETOUR X70 Lightning i-DM gets astounding fuel economy numbers. It can travel up to 110 km in pure electric mode, consuming no fuel at all. And for long road trips, its combined range extends up to 1,200 km on a full charge and tank.

These trio of benefits, plus a host of other high-tech and safety features inside and out, will make you realize there's really no better choice but to go for the JETOUR X70 Lightning i-DM 7-seater high-performance hybrid SUV.

Oh, but wait, there's definitely more. Not only does the JETOUR X70

Lightning i-DM 7-seater SUV.

Scan the QR Code provided or visit our official website and social media pages to make reservations and be among the first to experience the JETOUR X70 Lightning i-DM, a seven-seater plug-in hybrid SUV.

JETOUR Auto Philippines Inc. is the sole and official distributor of JETOUR vehicles and services in the country. JAPI sells the seven-seater JETOUR X70 variants in Journey, Travel, Sport, and X70 Plus, the JETOUR Dashing, Dashing Symphony, Dashing Lightning i-DM (PHEV) the JETOUR X50, the JETOUR Ice Cream Battery Electric Vehicle (EV), and the 4X4 SUV JETOUR T2 and JETOUR T2 Terminator.

GAC Motor Kicks Off 2025 with a Sales Milestone, Bringing Quality Mobility Closer to Filipinos with Exclusive Deals

GAC MOTOR Philippines, led by Astara, is accelerating its momentum in the local automotive market by offering exceptional value-for-money vehicles with highly competitive deals, making quality mobility more accessible to Filipino car buyers.

After surpassing 3,000 unit sales in just two years since its relaunch in January 2023, GAC Motor is celebrating this milestone by rolling out exclusive financing offers that enable more Filipinos to experience its cutting-edge technology, sleek designs, and dynamic performance.

Exclusive Deals

GS3 Emzoom: GAC Motor's best-selling subcompact crossover, is now even more accessible with two exciting options: a zero down payment scheme or a low monthly installment of just PHP 10,706. Now available in the striking Black Edition, this model remains a stylish yet budget-friendly choice for young professionals and city drivers seeking a dynamic and modern ride.

M6 PRO: For families and business owners in need of a spacious and practical vehicle, the M6 PRO is now available with a low down payment of PHP 20,000 for the GS variant, making it easier to own a versatile MPV designed for comfort, convenience, and everyday practicality.

Empow GS: Sportier, Bigger, and Now Below PHP 1 Million

For those who crave a thrilling and dynamic driving experience, the GAC Empow GS is now more attainable than ever. With a PHP 300,000 cash discount, this turbocharged 1.5L sporty and stylish sedan, and now priced below PHP 1 million, making it one of the best-value

performance sedans in its class. Built for speed, agility, and style, the Empow features a powerful 7-speed Wet Dual Clutch transmission, a low, aggressive stance, and a driver-centric cockpit designed for maximum engagement. Whether navigating city streets or hitting the open road, the Empow delivers an exhilarating, race-inspired driving experience without the premium price tag.

Other Special Offers

Emkoo Hybrid: The futuristic and fuel-efficient compact SUV now comes with a PHP 45,000 cash discount, making sustainable mobility more affordable.

Electrifying the start of 2025 with the MINI pop-up at Alabang Town Center

MINI Philippines has some exciting news for MINI enthusiasts – the MINI Pop-Up Store has opened at Alabang Town Center. From 6 January 2025 to 5 January 2026, patrons will have the chance to experience the brand's latest internal combustion and all-electric vehicles that combine cutting-edge technology and sustainability, with the iconic MINI style that many love.

"This pop-up showcases the next generation of MINI vehicles built for exciting adventures. It's also the perfect opportunity for us to reconnect with the MINI community and for them to learn about the most recent updates from MINI. Existing MINI owners will have access to exclusive vehicle upgrade options and a newly introduced referral program with special rewards to recognize their continued loyalty," said Willy Tee Ten, President of the Autohub Group of Companies

The new all-electric MINI Cooper 3-Door, new all-electric MINI Countryman, and sporty MINI John Cooper Works 3-Door are available for viewing until 27 February 2025. Starting 28 February 2025, the first-ever all-electric MINI Aceman will be added to the display, bringing a new level of excitement to MINI's all-electric lineup.

Pop-up Details:

- Location: Corte de las Palmas, Alabang Town Center
- Opening Hours: 11:00 AM - 9:00 PM
- Sales: 0945 157 0949
- Marketing: 0915 834 4000
- Email: info@autoflarecorp.com
- What to Expect: Discover the newest MINI models, tailored to suit the individual's lifestyle with exciting test drives and expert assistance
